Rabbit Judging on Sat. August 15, 2015

Animal judging again this year is by club. The Bunny Hoppers animal judging will be on Saturday August 15, 2015 at the rabbit barn. This includes all your animal projects; (rabbits, beef, poultry, horse, etc.) **DO NOT BRING YOUR ANIMAL TO JUDGING.** You need your completed book, expense sheets and paragraph summary as we discussed at the club meeting. Judging is open from 9:00 am to noon, no sign up time is needed.

cloverbuds do not need to do this judging

You must go online to enter the 2015 fair

<http://van.fairmanager.com>

All Junior Fair entries must be made online by noon August 15th. This includes, animals, non-animals, and cloverbuds. Remember to print a copy of your entry for your records. Cloverbuds too!

For rabbits you need the numbers:

3101 is show rabbits (you are allowed 6 entries)
3102 -1 meat pen rabbits (you are allowed 1 entry)
3102 -2 single fryer (you are allowed 1 entry)
3103 doe and litter (your are allowed 1 entry)
3104 cloverbud (you are allowed 1 entry)

Remember: you must enter and show a rabbit in the (3101) show category to enter a meat pen or single fryer rabbit.

Show Coats

P&R Medical Supply does carry coats in adult and youth sizes.
Also a long sleeve shirt works just as well as a show coat.

There was a Problem In the Past Years

A problem developed, in that after the meat pen and single fryer show, some Junior Fair Exhibitors stopped taking care of their rabbits. You are exhibiting a market animal that will be sold to others for consumption. **YOU MUST CARE FOR YOUR RABBITS EVERY DAY.** (If it is extremely hot it should be twice a day).

Again this year the junior fair barn superintendents will be checking pens twice a day, and there is a daily sign in sheet at the office for your signature and time you checked your rabbits. If you are not taking care of your rabbits, they will be sent home with you and not be a part of the auction on Tuesday.

Club Meeting Tuesday August 11, 2015 starting at 6:00 pm

The next Bunny Hopper Meeting will be at Advisor Judy Wortman's farm (4634 Liberty Union Road). If you go west on route 30 just past the 224 interchange is Liberty Union Road. Go north about 3 miles. The farm is back a little lane; look for some balloons at the end of the lane.

The meeting will be an ice cream party, and as always parents are encouraged to stay for the meeting. We will be discussing animal judging, entries in the fair, fair events, and new procedures at the fair.

Meat Pen/Single Fryer Tattooing

Saturday August 15, 2015 any time between 7:30 am
to 10:30 am at the rabbit barn.

All meat pen and single fryers must get a special tattoo
at this time (up to 8 rabbits).

Note: Rabbits must have the regular left ear tattoo
before the special tattoo..... suggestion: get the
regular left ear tattooed before this day; it will be less
stressful on the rabbits

Barn Set Up Meeting Saturday August 22, 2015 9:00 am

It is that time again for us to set up the rabbit barn
for the fair. **Members and parents** are to come
to this meeting ready to help set up. If you can,
bring gloves, rakes, shovels, wheel barrels, etc.
There is a job for everyone, and we can get things
finished in less than 2 hours if we all work
together. After the cleanup we will have a short
meeting about the fair.

.....

When to bring your rabbits to the fair

The Rabbit Barn will be open for
check in on Tuesday September
01, 2015 after 9:00 am

**Remember to sign in at the rabbit office after
your rabbits are in place.**

Rabbit Cloverbuds

#1 All cloverbuds must sign up to enter your one rabbit
at the county fair just like everyone else. This is online
like the other 4-H kids.

#2 Cloverbuds do not have to animal judging on August
15th, but you can do it for fun

What to Bring to the Fair

- #1 You need to bring your rabbits
- #2 You need to bring your own feed, in a good container.
- #3 Water at the fairgrounds is city water. A few people bring water from home as to not change things for your rabbits. Most people just use the water at the fairgrounds.
- #4 You need to bring a water crock and a food crock for each of your rabbits. Note: meat pen cages no longer have built in feeders like in past years
- #5 You need to bring your grooming/preparation supplies and equipment.

Junior Fair Booth

Theme: "A Week Down on the Farm"

Please bring your non-rabbit projects from this year and any trophies or rosettes won at rabbit shows since the last fair. Bring them to Barn Clean Up Meeting.

Your Exhibit at the Fair

After you have your rabbits in the pens, **YOU MUST SIGN IN AT THE OFFICE** verifying that your rabbits are here and your entry is correct.

It is your job to at least **daily** (twice a day if it is hot and/or dry) feed, water, and clean up your exhibit area.

This includes cleaning the boards under your cages, and raking under and in front of your cages.

Supplies are to be stored above the pens. The isle in front of your cages are to be kept clear and clean. Wash and clean water bowls daily, Trash picked up.

Notes.....

Since you are displaying animals at the fair, and your book was checked and judged at the interviews, you do not need to bring your book for display at the fair booth. You will need it to study the book for showmanship.

Cloverbuds can bring your projects books for the booth

Rabbit Showmanship at the Fair

By Advisor Heizman

I hope that everyone is practicing with a rabbit or two for showmanship. Showmanship is always an exciting time at the fair. Remember that the rabbit used must be accustomed to being handled for showmanship, and you and the rabbit have good "Table Manners". So do not wait until the last minute to prepare for your showmanship ability on Sunday of the fair.

King and Queen of the Rabbit Club

Pick up an application for the King and Queen for this year's Van Wert Youth Rabbit Club at our August meeting or when you check in at the fair. Due dates, test dates, and qualifications are on the application. If you have any questions, ask one of the advisors.

Remember at the Fair (for all 4-Her's and Parents)

By president Katelyn Welch

#1 A reminder that you are responsible for your rabbits at the fair. Make sure you feed, water, care, clean the pens, and check your rabbits daily. If you have any questions about the health on one of your rabbits ask your advisor, or the barn superintendent.

#2 Keep the area around your pens clean, neat, and tidy. Pick up papers and keep all of your storage containers stacked neatly. It is your display, keep it looking first class.

#3 You must sign in at the office **daily**, with your name and the time, as to when you checked, feed, watered, and cleaned your cage area.

#4 When you bring your rabbits to the fair, check in at the office to make sure all the information about your rabbits are correct. Check the tags on your pens to see if that information is correct. After you have your rabbits in the pens **YOU MUST SIGN IN AT THE OFFICE** verifying that your rabbits are here and your entry is correct.

#5 If you are going to sell any of your rabbit projects, check the information board for the guidelines.

#6 Check the information board every day, so you are up to date.

#7 Smoking is not permitted in the Rabbit Barn. It is not healthy for you or your rabbits, and it is unsafe. If you see anyone walking in smoking, remind them politely that smoking is not permitted.

Open Rabbit Show

Remember there is an open rabbit show on Saturday of the fair. It is sanctioned by the ARBA, and is just like our spring rabbit show. Entry fee is \$2.00 per rabbit. This is another chance to show your rabbits

Parents and 4-Her's

There is a message board in the office area of the rabbit barn. Make sure you check it daily for schedules and what is going on.

If you are not sure of something check the fair book, ask your advisor, or one of the people working in the barn.

It is your job and responsibility to know!!!

Remember These Changes from Present & Recent Years

You can enter 6 show rabbits (#3101), one meat pen, one single fryer and one doe with litter.

There is **NOT** a drug notification form or a quality assurance paper for any rabbits project.

Rabbit Showmanship is on Sunday starting at 9:00 am

Junior Fair Rabbit Show is on Sunday starting after showmanship which is about 11:00 to 11:30 am.

Showman of Showman is on Monday.

There is a dress code for you when participating at livestock shows and sales. (see page number 57 of the junior fair book)

You can choose to sell your meat pen or your single fryer in the livestock sale on Tuesday. You will need to declare which to sell on Friday after the show. The Meat Pen Show and the Single Fryer Show is a terminal sale.

Kids 9 years old and over must purchase tickets to enter the fairgrounds. (junior fair exhibitors can purchase a season pass for \$6.00 before the fair at the senior fair board office)
