Again this year there are a number of changes to 4-H guidelines, and the Van Wert County Fair. Make sure you are at meetings and paying attention to changes from past year.

### ~~~~~ **Quality Assurance**

Again this year, Quality Assurance is not required for Rabbit Projects. Even though the paperwork is no longer required, we must still practice health and drug free practices for our rabbits.

If you are talking any other animal to the fair besides rabbits you must attend a quality assurance session. If you would just like to learn more you are always welcome to learn at a quality assurance class. Classes are listed in the county 4-H newsletter, and the 2013 Van Wert County 4-H Family Guide.

## **Animal Project Books**

There are 3 Options for your animal project books. #1 purchase a new book, #2 download the project book, #3 download an accompany packet that goes with past year project book. There is a complete explanation in the 2013 Van Wert County 4-H Family Guide.

### **Rabbit Breed Demonstrations**
