What to Bring to the Fair

- #1 You need to bring your rabbits
- #2 You need to bring your own
feed, in a good container.
- #3 Water at the fairgrounds is city water. A few
people bring water from home as to not change
things for your rabbits. Most people just use the
water at the fairgrounds.
- #4 You need to bring a water crock and a food
crock for each of your rabbits.
- #5 You need to bring your grooming/preparation
supplies and equipment.

Show Coats

P&R Medical Supply does carry coats in adult and youth sizes.
Also a long sleeve shirt works just as well as a show coat.

MUST CHECK IN AT THE OFFICE** verifying
that your rabbits are here and your entry is

clean. Wash and clean water bowls daily, Trash
picked up.

Notes.....

Rabbit Showmanship at the Fair

By Advisor Heizman

I hope that everyone is practicing with a rabbit or two for showmanship. Showmanship is always an exciting time at the fair. Remember that the rabbit used must be accustomed to being handled for showmanship, and you and the rabbit have good "Table Manners". So do not wait until the last minute to prepare for your showmanship ability on Sunday of the fair.

.....

Remember at the Fair (for all 4-Her's and Parents)

By president Kyra Welch

#1 A reminder that you are responsible for your rabbits at the fair. Make sure you feed, water, care, clean the pens, and check your rabbits daily. If you have any questions about the health on one of your rabbits ask your advisor, or the barn superintendent.

#2 Keep the area around your pens clean, neat, and tidy. Pick up papers and keep all of your storage containers stacked neatly. It is your display, keep it looking first class.

Virtual Auction

On Tuesday the auction for market animals will be a virtual auction. You will need a picture of you and your animal for the virtual auction.

Parents and 4-Her's

There is a message board in the office area of the rabbit barn. Make sure you check it daily for schedules and what is going on.

If you are not sure of something check the fair book, ask your advisor, or one of the people working in the barn.

It is your job and responsibility to know!!!

Trophies & Awards

Trophies and awards will be presented at the end of each breed. If you would like to sponsor a trophy for 2021 please see Sara or Phil during the fair.

What to Sell

(Meat Pen, Roaster or Single Fryer)

You can choose to sell your meat pen, roaster, or your single fryer in the livestock sale on Tuesday. You will need to declare which to sell **on Saturday by the end of the show**. The Meat Pen Show, Roaster and the Single Fryer Show is a terminal sale. Those rabbits declared to sell will go the packer. All other market rabbits are your responsibility.

Thank You Notes

Just a thought: get your thank you notes ready before the fair, so if you win a trophy or special award, you are not scrambling at the last minute. Also get a couple pictures of you and one of your animals printed out in a 4 x 6 just in case.

The fair will look different this year

#1 for social distancing there will be a big tent next to the rabbit barn for social distancing. In addition you can put up your own tent for your own family area. *(like those 10 x 10 foot ones)*

#2 during the shows only the exhibitor and parents are permitted in the rabbit barn. Family and friends are not allowed. They will have to learn from your stories.

#3 there will be a system set up for social distance and cleaning between show groups. Be patient and pay attention.

4 your entry with ear numbers, breed, age, sex must be correct before the show. If incorrect during the show, the rabbit will be evaluated and graded, but outclassed for the top awards.

#5 listen to announcements and directions during the before and during the show for procedures.

#6 animals will be released on Monday at 6:00 pm.
